COUNSELLING

- ★ Are you interested in a career involving the environment, sustainability, and the great outdoors? If so, you are invited to register for an information session hosted by UBC's Faculty of Forestry. You will hear directly from their undergraduate advisors and have the chance to ask questions about their programs. Parents are also encouraged to attend. For more information or to register for an upcoming information session on Thursday, December 11th, please Ms. Watson in the counselling office or speak to your alpha counsellor.
- ★ Gr. 12's are encouraged to get their post-secondary applications completed over the break. The process is not lengthy and is all done through the education planner website. See your counsellor with any questions.
- ★ Gr. 10's and 11's will be doing the course request process as soon as we return in January. Planning for the right courses is an important step and will have an impact on what you may want to do after graduation. See your counsellor now to talk about course planning.
