COUNSELLING

- ★ Are you interested in learning about attending university in the UK? Students and parents will want to attend the UK University Fair being held this Wednesday, March 11th from 3–7pm at the Vancouver Convention Centre downtown. - ★ Leicester (pronounced Lester) Law School in England is hosting an information session this Thursday, March 12th from 6–8pm at Surrey City Hall. There are already 500 Canadian students at Leicester Law School because of their unique programs that are shorter than Canadian Law Programs. For instance, one program for students with an 80% average can go to the accelerated 3-year Law degree program—this is 4 years shorter than the typical Canadian pathway to a Law degree. For details and registration information please see Ms. Falk in Counselling.
- ★ Are you looking for something to do over Spring Break? Why not try being an SFU student on their Burnaby Campus. SFU is offering two free Spring Break workshops for high school students. On Wednesday, March 18th, from 10am-noon, students can attend GenAI: The Myths, the Rewards and the Risks which will be a hands-on interactive workshop. Or try Reality Check—an Interactive Media Literacy workshop on how to spot false information online. This workshop is offered on Wednesday, March 25th from 2–4pm. See Ms. Falk in Counselling for registration information.
