EVENTS

- ★ Pascal, Fermat and Cayley math contests take place in the Library today during Block B. Bring a pencil, eraser and a calculator if you registered for the contest.
- ★ As you may notice, lockers are decorated with Pink Shirts that have messages of kindness on them in spirit of Pink Shirt Day. We encourage you all to join us in the HUB at lunch today for some fun activities and trivia, but also to participate in taking your kindness shirts from your lockers and adding them to our collective Pink Shirt on the HUB. By coming together as a school community, we are supporting a cause bigger than all of us. Be sure to sprinkle around kindness not just this week but throughout your daily life. We hope to see you all in the HUB to take part in this year's Pink Shirt Day at Sulli!
