## Health and Safety:

### Know the 14-day rule before travelling with unvaccinated or partially vaccinated children

Now that the U.S. border is open for non-essential travel, parents and students are reminded that international travel – by land, air or sea – presents restrictions around school attendance for unvaccinated and partially vaccinated students upon return.

**Students who are not fully vaccinated CANNOT attend school for 14 days following their return,** according to federal travel guidance around COVID-19.

While there are some quarantine exemptions for unvaccinated children accompanied by fully vaccinated adults, there is **no exemption** to allow unvaccinated or partially vaccinated students to return to school within 14 days following international travel, *regardless of who they travel with or if they received a negative PCR test result*.

In addition to school, students who are unvaccinated or partially vaccinated cannot attend the following for 14 days after international travel:

- o day cares and camps
- o settings with vulnerable people (i.e. long-term care facilities)
- o large crowded indoor or outdoor settings (i.e. amusement parks, sporting events)
- o crowded public transportation that does not ensure physical distancing and masking

If you decide to travel internationally during the school year, please coordinate with your teacher and school beforehand to ensure your child stays on top of schoolwork while they are away and for the 14 days following their return.

Unvaccinated children returning from travel must also limit contact with others for 14 days, especially those who have underlying medical conditions, compromised immune systems or are 65 and older. Returning travellers ages five and up must also take a COVID-19 molecular test, monitor their health and watch for symptoms related to COVID-19.

For more information on federal guidance and restrictions, visit [canada.ca/coronavirus](https://canada.ca/coronavirus). For information on provincial measures, visit [bccdc.ca/covid19](https://bccdc.ca/covid19) or call 811.

## Health and Safety

# WHAT HAPPENS IF A STUDENT GETS SICK?

Extra health and safety measures, like handwashing, learning groups, masks, daily health screens, and increased cleaning, will reduce the spread of COVID-19 and help keep schools safe.

## IF A STUDENT SHOWS ANY COVID-19 SYMPTOMS AT SCHOOL..

-  The child waits in an isolated room
-  The school contacts parents or guardians to take the child home
-  Staff clean and disinfect exposure areas
-  The school notifies public health officials

## THEN PUBLIC HEALTH..

-  Contact traces to identify potential COVID-19 exposures
-  May recommend testing
-  May recommend 14-day isolation if necessary
-  Gets in touch with close contacts
-  Provides follow-up recommendations as needed, which may include suspending in-class learning

Parents will be notified if their child has been in contact with a COVID-positive person and needs to self-isolate. Students will receive learning support while self-isolating.

INTERNATIONAL TRAVEL:	WHAT TO DO
Have you returned from travel outside Canada in the last 14 days?	<p>If yes: All students and staff who have travelled outside of Canada are required to follow both provincial and federal requirements for entry.</p> <p>This includes students who are attending school from abroad. Students from outside of Canada should verify their entry status at least two weeks before they are scheduled to attend school. Additional information is available <a href="#">here</a>.</p>
CLOSE CONTACT	WHAT TO DO
Have you been contacted by public health and notified that you are a close contact of a person confirmed to have COVID-19?	<p>If yes: Please follow the instructions provided by Public Health.</p> <p>You can call 8-1-1 anytime to get advice about how you are feeling and what to do next. Pay attention to how you are feeling. If it becomes hard to breathe, you can't drink anything or feel much worse, seek urgent medical care at an urgent care clinic or emergency department.</p>

Check your symptoms with the [K-12 Health Check](#). If you have any questions, or the symptoms get worse, contact your healthcare provider, or call 8-1-1. For more information on COVID-19, please go to [www.bccdc.ca](http://www.bccdc.ca).

**Note: If you develop severe symptoms, such as difficulty breathing (e.g. struggling to breathe or speaking in single words), having a very hard time waking up, confusion, or severe chest pain, call 9-1-1 or go to the nearest Emergency Department.**

If you develop symptoms such as mild to moderate shortness of breath, inability to lie down because of difficulty breathing, or have chronic health conditions that you are having difficulty managing because of difficulty breathing, please consult your family doctor or nurse practitioner. You can call 8-1-1 anytime to talk to a nurse at HealthLinkBC and get advice about how you are feeling.

Please check BCCDC's [Symptoms of COVID-19](#) regularly to ensure the list is up to date.

## Reduce the spread of COVID-19 while travelling with people outside your household

### Before the trip

Always complete a COVID-19 symptom check before carpooling.

**Unless you need medical care or testing, do NOT travel if you have:**

- ☐ COVID-19 symptoms
- ☐ Travelled outside of Canada within the last 14 days
- ☐ Been told to self-isolate by Public Health

- Spread out as much as possible. If there are two people, the driver should be alone in the front.
- Wear a mask over your nose and mouth.
- Travel with the same people each time.

### During the trip

Keep your trips as short as possible.

Open windows in the vehicle to allow air in.

Set the vehicle's ventilation to bring in fresh outside air. DO NOT recirculate the air.

Avoid eating or drinking in the car.

### Cleaning

Clean high contact areas (such as seat belts and door handles) every time you leave the vehicle.

If vehicles are shared on the job, clean between each shift.

Clean your hands when you get in and when you leave.

### At work

If you are carpooling with another employee at your worksite, tell your employer. Your employer may use this information when making their COVID-19 Safety Plan.

## **"This Week at Fleetwood Park" – Principal's Message: November 8<sup>th</sup> – 12<sup>th</sup>**

Happy Wednesday morning Dragons and welcome to a compressed week of learning and working and celebrating at Fleetwood Park Secondary. This week's newsletter comes to you a little early as Thursday is our Remembrance Day Statutory holiday, and Friday is a Non-Instructional Day. We will be back in session on Monday, November 15<sup>th</sup> for a full week of learning together.

After a very stormy weekend of rain, wind, a tornado(!) and hail, we were treated to a gorgeous day of sunshine in our community. Our students and staff savoured the blue sky, crisp air and sunshine, and there was a wonderful tone of positivity and energy throughout our school.

Our Career Education students were excited and busy on Tuesday as they participated in this semester's Mock Interviews. Senior students interviewed Junior students and everyone gained valuable skills that will help them over the years ahead. Congratulations to all interviewers and interviewees and thank you to our Career Education staff for your work in organizing this important learning event.

I had the chance to drop by and say “hello” to Mr. Robinson’s Choir class on Tuesday afternoon. It was the highlight of my day as I listened to our very talented students “warm up” and prepare their voices for their class. Thank you to everyone for your warm welcome.

On Tuesday evening our Grade 8 girls Volleyball team finished their season undefeated and in 1<sup>st</sup> place in the Surrey Championships! Congratulations to Coach Kotsalis and the team on your incredible season! Way to go Dragons!

This week Mr. Dalhuisen's Technology students were testing their airplane prototypes. A fun and creative project.

Today our school will be participating in our Remembrance Day video assembly. We recognize and thank all veterans and active members of the Armed Forces for your sacrifice and service to our country and for the freedom that we enjoy today. We will not forget, and we will ensure that our youth will continue to learn and understand the importance of your sacrifices. Lest we forget. 

This afternoon our Fleetwood Park Secondary Senior Boys Soccer team will play for 1<sup>st</sup> place against Panorama Ridge Secondary. It will be an exciting match of high-level soccer. Good luck to the team and congratulations on your season.

All the best Dragons. Please take time tomorrow at 11:00am to remember and honour the members of our Armed Forces, and all veterans who have given so much for our freedom. Students are reminded that Friday is a Non-Instructional Day. Have a safe weekend.

Ken
