

Welcome to all our new families! The first day is always exciting and for some, a bit unsettling. While your child(ren) make their way to classes, if you are interested in an informal Q and A with the principal, feel free to join me in the gym from 10:15-10:45 AM. I will do my best to answer all your questions. Of course, all our returning parents are welcome too if this interests you.

Regards,

Ms. Harrison
