

# Learning Innovations for Teens (LIFT)

## City Central Learning Centre

### **Goals of LIFT:**

- Provide an alternative learning environment
- Focus on brain training and social/emotional growth
- Re-engage students with learning
- Human service / leadership opportunities
- Get students caught up with their courses
- Transition to either KP or the learning centre after semester

### **Academic Courses:**

Students can potentially earn credit for 5 courses:

- English 10 (Lit Studies and Composition)
- Careers 10
- P.E. 10
- Socials 10
- Skills for Success 10
- Plus a student choice (either Math or Science 10)

### **Student Responsibility:**

Daily consistent attendance is extremely important and parents will be notified early in the morning if there are absences.

### **General Info**

- Classes run Monday to Thursday from 8:40 - 3:30.
- There is no school on Fridays (unless they need extra time to catch up on work)
- No homework is assigned in the course
- There is a lunch program for the students

### **Parent Involvement:**

Regular parent communication with the teacher is highly encouraged. Please contact me with any questions or concerns anytime.
