PAC FUNDRAISING

In previous years we have raised thousands of dollars to enhance our Morgan Mustangs student experience. The money raised through our fundraising efforts supports and subsidizes many programs for the students at Morgan Elementary. Some of these include field trips, fine arts and literacy programs and events, technology upgrades, Futsal, Hip Hop and sports equipment as well as providing discretionary funds for classroom supplies.

It takes a lot of time and volunteer hours to put on fundraisers to cover the cost of the many programs offered through the Morgan PAC. Having these extras help us to maintain a school with enriching experiences and support for our children and our school staff. We are excited to continue with these fantastic fundraisers throughout the year.

- Hot Lunch Program - weekly
- Movie Nights
- Purdy's Chocolate Sale
- Mingle Jingle Christmas Event
- Spirit Wear Clothing Sale
- School Dances
- Sports Concessions

You may also see a few small fundraisers initiated by the grade seven students which will support their grade year end events and the special projects that help our wider community.

SURREY SCHOOL DISTRICT DIRECT DONATIONS

The Surrey School District envisions schools where the basic needs of all children are met and students are best prepared to learn each and every day; where students are inspired and engaged by a diversity of opportunities; where families and communities are strong, healthy and involved; where each student dreams of a positive future and where the leaders of tomorrow have the necessary support and resources to explore, discover and analyze the world around them.

The Surrey School District is a registered Canadian charity. Through the Business Development Department, the Surrey School District actively seeks out donations of funds, services and goods and the development of community partnerships that will support this vision. Together with residents, businesses, non-profit organizations and government agencies, we build the support structures necessary to operate innovative and impactful programs that will support schools, special projects and programs that complement and reach beyond core curriculum instruction.

If you would like to make a direct donation to the school, please use the District Donate option on the Morgan website at the top of the webpage. [Click here](#) to go directly to the donation page and be sure to select **Morgan Elementary** under **FUND DESTINATION** to ensure funds are allocated directly to our school.

If you have any questions on how to make a direct donation, please contact Wendy Peckinpaugh at 604-531-8426 or by emailing morgan@surreyschools.ca.
