

## Christmas Adopt a Family: How Do I Support a Family?

1. Visit the Wishing Tree in our school lobby for a tree decoration with a gift tag. Each tag contains a personalized wish list from a local family, or a general “wish list item”.
2. Simply purchase a new, unwrapped item, along with the gift tag, to the office counter by **December 13th**. For even more Christmas cheer, you’re welcome to include a personalized Christmas Card with your gift.
3. Our student leadership team will ensure your gifts are delivered before Christmas Day!
