

Wood Shop Rules & Guidelines

1. Be considerate, respectful, and a good role model for other students. The “Golden Rule” for the shop/classroom is: Treat people the way you would like to be treated in return.
2. Respect and follow all safety rules and procedures as discussed/demonstrated. DO NOT use any equipment without the teachers’ permission.
3. Inappropriate language and inappropriate conversations will not be tolerated. Think before you speak!
4. Phone use is not permitted during class.
5. Eating and drinking is not permitted during class. Water is permitted.
6. Students must follow school procedures as explained for bathroom breaks and locker breaks. You must ask permission before leaving the shop/classroom.
7. A good attitude and consistent effort will count very favorably towards your success in the course and towards developing a pattern of success for your future.
8. Respect and take care of the tools, machinery, equipment and environment in the wood shop.
9. Respect other peoples’ property and projects. Do not touch anything that does not belong to you.
10. You’re expected to be in class on time. Don’t annoy your teacher by being late.
11. If you are going to be absent from class, please inform your teacher. Also, please remind your parent or guardian to contact the school to record an excused absence.
12. Please submit completed work to your teacher in an organized manner with your name and block clearly marked.
13. All students are expected to clean-up when asked to do so. After school clean-up sessions are on-going for any students requiring extra “clean-up learning opportunities”.
14. Extra help and extra shop time may be required for some students. Please contact your teacher at any time if you require extra help or extra shop time.
15. Please bring your notebook and pencil to every class.
16. Respect and follow the school’s Code of Conduct: a) Respect Yourself & Others; b) Respect the Environment; c) Respect Learning
17. Safety in the shop is our #1 priority. All students will work in a safe manner as described and demonstrated or lose their shop privileges. If you have any doubts or do not understand the instructions that are given, DO NOT HESITATE, JUST ASK THE TEACHER.
