BC Family Day is Monday, February 8th – No School

Allergy Awareness

Several of our students have life threatening allergies to nuts and as a result we are an “Allergy Aware” school. In order to reduce the risk for allergic students please do not send food containing nuts in your child’s lunch. The success of an “Allergy Aware” school and the safety of our students are dependent upon the support and assistance of all staff, students and parents to limit the risk of exposure. Cooperation and understanding of life-threatening allergies is greatly appreciated.

Multicultural Week

February 9-12 is Multicultural Week at Woodland Park. A few special activities are planned during the week and students are asked to wear traditional clothing or costumes to school on Tuesday.
