### Young Entrepreneur Show at Bayridge Elementary

Our Young Entrepreneurs are open for business!

Students from Divisions 3, 5, 6, 7, and some from Division 9 have been participating in PowerPlay Young Entrepreneurs, an educational program that helps students develop the tools needed to start their own businesses.

These students are now ready to display their business plans and sell products they've developed. **All students from Bayridge Elementary** are invited to come check out the inspiring business ideas and see these Young Entrepreneurs in action (*unfortunately parents will not be able to attend this year due to COVID regulations*).

<b>Location:</b> Bayridge Elementary Gym	<b>Location:</b> Bayridge Elementary Gym

On each day the show is running, teachers will sign their class up for one 20 minute block of time, so students don't forget to bring along some spending money on both days listed above!

We just ask that students bring \$20.00 or less to spend on their fellow students' products as most prices at the show will range from \$0.50 to \$5.00. Please ensure that students bring small bills/coins, as many sellers will not be able to make change for a \$20 bill. And just a reminder that these products are student made; therefore, there will not be any returns, refunds or exchanges on products purchased due to quality issues.

This is a great opportunity for students to do some holiday shopping for friends and family.

**Thank you for your support, and  
see you there!**

Sincerely,

Divisions 3, 5, 6, 7, and 9
